This means that the person must be registered on a Securities Account with the CSD, as a direct registered owner (Sw. *direktregistrerad ägare*) or authorised nominee (Sw. *förvaltare*) with respect to one or several Bonds.

1 Background

The Final Redemption Date of the Bonds occurred on 22 March 2024. As the Issuer did not redeem the Bonds on the Final Redemption Date, default interest has accrued on the Bonds pursuant to the Terms and Conditions and the Bonds have been de-listed from Nasdaq Stockholm. As announced by the Issuer in a press release on 5 July 2024, the Issuer has agreed on a consensual restructuring (the “**Restructuring**”) with a committee of certain larger Bondholders of Bonds (representing approximately 58.5 per cent. of the Adjusted Nominal Amount) (the “**Ad Hoc Committee**”) in order to secure the continuation of the business of the Group. Pursuant to the Restructuring, the Terms and Conditions shall be amended in order to, *inter alia*, extend the maturity date of Bonds by two years until 22 March 2026, replace the current fixed interest rate with 3-months STIBOR plus 2.50 per cent. *p.a.* to be paid quarterly in arrears, increase of call option premiums and introduce voluntary and mandatory redemptions. The Bonds shall also be admitted to trading on Nasdaq Stockholm in connection with the Restructuring.

The proposed waiver is described under Section 2.1 (*Proposed waiver*). The proposed amendments to the Terms and Conditions are described under Section 2.2 (*Proposed amendments to the Terms and Conditions*). The Issuer and the Ad Hoc Committee have also agreed on a business plan for the Group as further described under Section 2.3 (*The business plan*). Further, the Issuer and the Ad Hoc Committee have agreed to appoint board observers as further described under Section 2.3 (*Appointment of board observers*).

This Notice is available on the Issuer’s website.

2 The Request

2.1 Proposed waiver

It is requested that the Bondholders waive all Events of Default which have occurred under the Terms and Conditions up to and including the date of this Notice relating directly to, and limited to, the de-listing of the Bonds from Nasdaq Stockholm, the non-payment of principal and interest on the Final Redemption Date and the default interest on any unpaid amounts under the Terms and Conditions prior to the Effective Date (as defined below) (the “**Waiver**”).

The interest and default interest accrued in respect of the Bonds up to (and including) the Effective Date will be converted into the increased call option premium.

2.2 Proposed amendments to the Terms and Conditions

The proposed amendment to the Terms and Conditions (the “**Amendments**”) are attached hereto as Schedule 3 (the “**Amended and Restated Terms and Conditions**”) (where blue and underlined text indicates additions (i.e., additions), whereas red and crossed out text indicate deletions (i.e., ~~deletions~~)).

Please note that consequential adjustments to the Amended and Restated Terms and Conditions may be made as a result of the proposed Amendments to the extent required to implement the proposed Amendments. In addition, certain consequential technical amendments may be made to the Terms and Conditions, *inter alia*, due to the CSD Regulations.

2.3 The business plan

The Issuer and the Ad Hoc Committee have agreed on a business plan pursuant to which the business of the Issuer and its subsidiaries shall be conducted with the overarching aim to expedite and ensure full repayment of all amounts due under the Bonds (the “**Business Plan**”). No amendments or waivers to the Business Plan may be made without the consent of the Bondholders pursuant to a Written Procedure or Bondholders’ Meeting (other than any amendment consented by the Board Observer(s) pursuant to the Amended and Restated Terms and Conditions). Non-material amendments may be made with the prior written consent of the Board Observers. The Issuer confirms that the information provided in the Business Plan does not constitute insider information.

The Business Plan is confidential and the Bondholders by approving the Request agree that neither the Agent nor any member of the Ad Hoc Committee will provide a copy of the Business Plan to any Bondholder.

2.4 Appointment of board observers

The Issuer and the Ad Hoc Committee have in accordance with the Amended and Restated Terms and Conditions agreed to appoint Andreas Jönsson and Dan Castillo as the Bondholders’ board observers on the boards of directors of the Issuer and Point Properties Holding AB (reg. no. 559186-6370) (“**PPH**”) (the “**Board Observers**” and each a “**Board Observer**”). Each Board Observer shall, according to the Amended and Restated Terms and Conditions, have a right to participate as observer at all board meetings and other work related to the boards of the Issuer and PPH and the Issuer shall undertake to procure that each Board Observer is provided with all documentation and information as is provided to the directors.

The Bondholders are hereby requested to approve that:

- (a) each Board Observer is irrevocably and unconditionally authorised on behalf of the Bondholders, to act as the Bondholders' board observer on the boards of directors of the Issuer and PPH (without any personal liability); and
- (b) each Board Observers is irrevocably and unconditionally authorised on behalf of the Bondholders to approve that the Board Observers have a right to consent to non-material amendments to the Business Plan and may provide such consent on behalf of the Bondholders.

The Bondholders may at any time after the Effective Date, through Written Procedures or Bondholders’ Meetings appoint, replace or remove its Board Observers. Any Board Observer may resign as Board Observer in the Issuer and PPH at any time by sending a resignation notice to the Issuer.

The Agent, by issuing this Notice, and the Bondholders, by voting for the Request, acknowledge and agree that (i) the Board Observers, when acting in accordance with the authorisation instructions set out in this section are fully discharged from any liability whatsoever save where a Board Observer acts fraudulently or gross negligent, and (ii) the Board Observers have no duty of care to the Issuer, the Group or any other Bondholder.

For further information about the Board Observers, please see Clause 15.17 (*Board Observers*) of the Amended and Restated Terms and Conditions.

3 Request

The Bondholders are asked to confirm that the Bondholders agree to (i) the Waiver set out in Section 2.1 above, (ii) the Business Plan agreed upon between Ad Hoc Committee and the Issuer, (iii) the proposed Amended and Restated Terms and Conditions and (iv) appointment of the Board Observers as requested under Section 2.3 (*Appointment of board observers*) (the “Request”).

4 Effective date

4.1 Conditions

The Request shall be deemed approved immediately upon expiry of the voting period and satisfaction of the requisite quorum participation as set forth in Section 7.5 (*Quorum*) and receipt of the required majority as set forth in Section 7.6 (*Majority*) or if earlier, when a requisite majority of consents of the Adjusted Nominal Amount has been received by the Agent.

The Issuer and the Agent shall, in order to implement and effectuate the Request, enter into the Amended and Restated Terms and Conditions for the Bonds whereby the Amended and Restated Terms and Conditions and the Waiver shall only enter into effect when the Agent is satisfied (acting reasonably) that it has received the following documents and evidences (the “Effective Date”):

- (a) a copy of a resolution of the board of directors of the Issuer, the Parent and each Group Company providing Transaction Security (approving the confirmation of security, the transaction contemplated by this Notice and the Amended and Restated Terms and Conditions);
- (b) a copy of the duly executed Amended and Restated Terms and Conditions;
- (c) a copy of the duly executed pledge agreement regarding a first priority pledge over all Shareholder Loans (as defined in the Amended and Restated Terms and Conditions) together with evidence that the security provided or intended to be provided have become or will become perfected and enforceable in accordance with the terms of the security documents;
- (d) a copy of the duly executed security confirmation agreement relating to all existing Transaction Security;
- (e) evidence that the Ad Hoc Committee’s and the Agent’s legal fees accrued in connection with the Amended and Restated Terms and Conditions will or have been paid by the Issuer; and
- (f) such other documents and evidence as is agreed between the Agent and the Issuer, (jointly, the “Conditions”).

In addition, the Issuer and the Agent may agree to take any other action deemed required and as instructed by the Ad Hoc Committee in order to implement the Request. Such instructions by the Ad Hoc Committee shall be limited to the Request and not be detrimental to the interest of the Bondholders.

4.2 Longstop date

If the Agent has not received or waived the receipt of all the Conditions no later than 31 December 2024, the approval of the Request will not be granted, the Amended and Restated Terms and Conditions for the Bonds will not be entered into and the Effective Date will thus not occur.

5 Voting indications

The Agent has been informed that Bondholders representing 58.5 per cent. of the Adjusted Nominal Amount have agreed to vote in favour of the Request.

6 Risk factors relating to the Request

The holding of the Bonds and the Waiver and Amendments contemplated by the Request entail certain risks. Each Bondholder should carefully review the risk factors set out below. The Issuer does not represent that the risks of the holding any Bonds or of the Request are exhaustive.

Extension of maturity of the Bonds

Even though the Bondholders vote in favour of the Amendments, there can be no assurance that the Group will be able to comply with the Amended and Restated Terms and Conditions, to continue to service its debt obligations under the Bonds or agree with the Bondholders on a long-term solution for its financing. Events beyond the Group's control, including changes in the economic and business conditions in which the Group operates, may affect the Group's ability to comply with the Amended and Restated Terms and Conditions and events may occur during the extended maturity of the Bonds which affects the Group negatively.

The extension of the maturity of the Bonds entails an extended period of credit risk vis-à-vis the Issuer and the Group for the Bondholders and there can be no assurance that no material adverse circumstances will arise between the original maturity date and the extended maturity date or that the Group will be able to refinance the Bonds at the extended maturity. The Group's ability to successfully refinance the Bonds is dependent on the conditions of the capital markets and its financial condition at such time. The Group may not have adequate access to sufficient financing sources, or at all, at such time. The Group's inability to refinance its debt obligations would have a material adverse effect on the Bondholders' recovery under the Bonds.

Refinancing risk

The Issuer's ability to refinance the Bonds at the extended maturity date depends on a number of factors, such as market conditions, the availability of cash flows from operations, intra-group loan arrangements and access to additional debt financing. In addition, restrictions in relation to the Group's debt financing arrangements as well as adverse developments in the credit markets and other future adverse developments, such as the further deterioration of the overall financial markets or a worsening of general economic conditions, could have a material adverse effect on the Group's ability to borrow funds as well as the cost and other terms of funding. There can be no assurance that such funds will be available at a commercially reasonable cost, or at all, and consequently, there can be no assurance that the Issuer will be able to refinance the Bonds when they mature even if the Bondholders vote in favour of the Request.

Written procedure

The Terms and Conditions allow for stated majorities of Bondholders to bind all Bondholders, including Bondholders who have not taken part in the Written Procedure and those who have voted contrarily to the majority vote. Consequently, the actions of the majority in the Written Procedure could impact a Bondholder's rights in a manner that would be undesirable from such Bondholder's perspective.

7 Written Procedure

The following instructions need to be adhered to in the Written Procedure.

7.1 Final date to participate in the Written Procedure

The Agent must have received the votes by mail, courier or email to the address indicated below no later than 15:00 CET, on 5 December 2024. Votes received thereafter may be disregarded.

7.2 Decision procedure

The Agent will determine if received replies are eligible to participate in the Written Procedure as valid votes.

When a requisite majority of consents of the total Adjusted Nominal Amount have been received by the Agent, the Request shall be deemed to be adopted, even if the time period for replies in the Written Procedure has not yet expired.

Information about the decision taken in the Written Procedure will:

- (a) be sent by notice to the Bondholders; and
- (b) be published on the websites of the Issuer and the Agent.

A matter decided in the Written Procedure will be binding for all Bondholders, irrespective of them responding in the Written Procedure.

7.3 Voting rights and authorisation

Anyone who wishes to participate in the Written Procedure must on the Record Date (25 November 2024) in the debt register:

- (a) be registered as a direct registered owner of a Securities Account;
- (b) be registered as authorised nominee in a Securities Account, with respect to one or several Bonds; or
- (c) be a beneficial owner of a Bond with proof of ownership of the Bonds acceptable to the Agent.

7.4 Bonds registered with a nominee

If you are not registered as a direct registered owner as set forth in Section 7.3(a), but your Bonds are held through a registered authorised nominee or another intermediary as set forth in Section 7.3(b), you may have two different options to influence the voting for the Bonds:

- (a) you can ask the authorised nominee or other intermediary that holds the Bonds on your behalf to vote in its own name as instructed by you; or

- (b) you can obtain a Power of Attorney (Schedule 2) from the authorised nominee or other intermediary and send in your own Voting Form based on the authorisation. If you hold your Bonds through several intermediaries, you need to obtain authorisation directly from the intermediary that is registered in the debt register as Bondholder of the Securities Account, or from each intermediary in the chain of Bondholders, starting with the intermediary that is registered in the debt register as a Bondholder of the Securities Account as authorised nominee or direct registered owner.

Whether one or both of these options are available to you depends on the agreement between you and the authorised nominee or other intermediary that holds the Bonds on your behalf (and the agreement between the intermediaries, if there are more than one).

The Agent recommends that you contact the securities firm that holds the Bonds on your behalf for assistance, if you wish to participate in the Written Procedure and do not know how your Bonds are registered or need authorisation or other assistance to participate. Bonds owned by the Issuer, another Group Company or an Affiliate do not entitle to any voting rights.

7.5 Quorum

To approve the Request, Bondholders representing at least twenty (20) per cent. of the Adjusted Nominal Amount must reply to the Request in the Written Procedure in order to form a quorum.

If a quorum does not exist, the Agent shall initiate a second Written Procedure, provided that the Request has not been withdrawn by the Issuer. No quorum requirement will apply to such second Written Procedure. A vote cast in the Written Procedure shall, unless amended or withdrawn, constitute a vote also in a second Written Procedure (if any) pursuant to clause 18.9 of the Terms and Conditions with respect to the Request.

7.6 Majority

At least two thirds (2/3) of the Adjusted Nominal Amount for which Bondholders reply in the Written Procedure must consent to the Request in order for it to pass.

7.7 Address for sending replies

- 18.16 Information about decisions taken at a Bondholders' Meeting or by way of a Written Procedure shall promptly be sent by notice to the Bondholders and published on the websites of the Issuer and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. 22. REPLACEMENT OF BASE RATE

22.1 General

- (a) Any determination or election to be made by an Independent Adviser, the Issuer or the Bondholders in accordance with the provisions of this Clause 22 shall at all times be made by such Independent Adviser, the Issuer or the Bondholders (as applicable) acting in good faith, in a commercially reasonable manner and by reference to relevant market data.
- (b) If a Base Rate Event has occurred, this Clause 22 shall take precedent over the fallbacks set out in paragraph (b) to (d) of the definition of STIBOR.

22.2 Definitions

In this Clause 22:

"Adjustment Spread" means a spread (which may be positive, negative or zero) or a formula or methodology for calculating a spread, or a combination thereof to be applied to a Successor Base Rate and that is:

- (a) formally recommended by any Relevant Nominating Body in relation to the replacement of the Base Rate; or
- (b) if (a) is not applicable, the adjustment spread that the Independent Adviser determines is reasonable to use in order to eliminate, to the extent possible, any transfer of economic value from one party to another as a result of a replacement of the Base Rate and is customarily applied in comparable debt capital market transactions.

"Base Rate Amendments" has the meaning set forth in Clause 22.3(d).

"Base Rate Event" means one or several of the following circumstances:

- (a) the Base Rate (for the relevant Interest Period) has ceased to exist or ceased to be published for at least five (5) consecutive Business Days as a result of the Base Rate (for the relevant Interest Period) ceasing to be calculated or administered;
- (b) a public statement or publication of information by (i) the supervisor of the Base Rate Administrator or (ii) the Base Rate Administrator that the Base Rate Administrator ceases to provide the applicable Base Rate (for the relevant Interest Period) permanently or indefinitely and, at the time of the statement or publication,

no successor administrator has been appointed or is expected to be appointed to continue to provide the Base Rate;

- (c) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator that the Base Rate (for the relevant Interest Period) is no longer representative of the underlying market which the Base Rate is intended to represent and the representativeness of the Base Rate will not be restored in the opinion of the supervisor of the Base Rate Administrator;
- (d) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator with the consequence that it is unlawful for the Issuer or the Issuing Agent to calculate any payments due to be made to any Bondholder using the applicable Base Rate (for the relevant Interest Period) or it has otherwise become prohibited to use the applicable Base Rate (for the relevant Interest Period);
- (e) a public statement or publication of information in each case by the bankruptcy trustee of the Base Rate Administrator or by the trustee under the bank recovery and resolution framework (Sw. *krishanteringsregelverket*) containing the information referred to in paragraph (b) above; or
- (f) a Base Rate Event Announcement has been made and the announced Base Rate Event as set out in paragraphs (b) to (e) above will occur within six (6) months.

"Base Rate Event Announcement" means a public statement or published information as set out in paragraphs (b) to (e) of the definition of Base Rate Event that any event or circumstance specified therein will occur.

"Independent Adviser" means an independent financial institution or adviser of repute in the debt capital markets where the Base Rate is commonly used.

"Relevant Nominating Body" means, subject to applicable law, firstly any relevant supervisory authority, secondly any applicable central bank, or any working group or committee of any of them, or thirdly the Financial Stability Council (Sw. *Finansiella stabilitetsrådet*) or any part thereof.

"Successor Base Rate" means:

- (g) a screen or benchmark rate, including the methodology for calculating term structure and calculation methods in respect of debt instruments with similar interest rate terms as the Bonds, which is formally recommended as a successor to or replacement of the Base Rate by a Relevant Nominating Body; or
- (h) if there is no such rate as described in paragraph (a) above, such other rate as the Independent Adviser determines is most comparable to the Base Rate.

For the avoidance of doubt, in the event that a Successor Base Rate ceases to exist, this definition shall apply mutatis mutandis to such new Successor Base Rate.

22.3 Determination of Base Rate, Adjustment Spread and Base Rate Amendments

- (a) Without prejudice to paragraph (b) below, upon a Base Rate Event Announcement, the Issuer may, if it is possible to determine a Successor Base Rate at such point of time, at any time before the occurrence of the relevant Base Rate Event at the

Issuer's expense appoint an Independent Adviser to initiate the procedure to determine a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating and finally deciding the applicable Base Rate. For the avoidance of doubt, the Issuer will not be obliged to take any such actions until obliged to do so pursuant to paragraph (b) below.

- (b) If a Base Rate Event has occurred, the Issuer shall use all commercially reasonable endeavours to, as soon as reasonably practicable and at the Issuer's expense, appoint an Independent Adviser to initiate the procedure to determine, as soon as commercially reasonable, a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating, and finally deciding the applicable Base Rate.
- (c) If the Issuer fails to appoint an Independent Adviser in accordance with paragraph (b) above, the Bondholders shall, if so decided at a Bondholders' Meeting or by way of Written Procedure, be entitled to appoint an Independent Adviser (at the Issuer's expense) for the purposes set forth in paragraph (b) above. If an Event of Default has occurred and is continuing, or if the Issuer fails to carry out any other actions set forth in Clauses 22.3 to 22.6, the Agent (acting on the instructions of the Bondholders) may to the extent necessary effectuate any Base Rate Amendments without the Issuer's cooperation.
- (d) The Independent Adviser shall also initiate the procedure to determine any technical, administrative or operational changes required to ensure the proper operation of a Successor Base Rate or to reflect the adoption of such Successor Base Rate in a manner substantially consistent with market practice ("**Base Rate Amendments**").
- (e) Provided that a Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments have been finally decided no later than prior to the relevant Quotation Day in relation to the next succeeding Interest Period, they shall become effective with effect from and including the commencement of the next succeeding Interest Period, always subject to any technical limitations of the CSD and any calculations methods applicable to such Successor Base Rate.

22.4 Interim measures

- (a) If a Base Rate Event set out in any of the paragraphs (a) to (e) of the Base Rate Event definition has occurred but no Successor Base Rate and Adjustment Spread have been finally decided prior to the relevant Quotation Day in relation to the next succeeding Interest Period or if such Successor Base Rate and Adjustment Spread have been finally decided but due to technical limitations of the CSD, cannot be applied in relation to the relevant Quotation Day, the Interest Rate applicable to the next succeeding Interest Period shall be:
- (b) if the previous Base Rate is available, determined pursuant to the terms that would apply to the determination of the Base Rate as if no Base Rate Event had occurred;
or

- (c) if the previous Base Rate is no longer available or cannot be used in accordance with applicable law or regulation, equal to the Interest Rate determined for the immediately preceding Interest Period.
- (d) For the avoidance of doubt, paragraph (a) above shall apply only to the relevant next succeeding Interest Period and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustments as provided in, this Clause 22. This will however not limit the application of paragraph (a) above for any subsequent Interest Periods, should all relevant actions provided in this Clause 22 have been taken, but without success.

22.5 **Notices etc.**

Prior to the Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments become effective the Issuer shall promptly, following the final decision by the Independent Adviser of any Successor Base Rate, Adjustment Spread and any Base Rate Amendments, give notice thereof to the Agent, the Issuing Agent and the Bondholders in accordance with Clause 28 (Notices and Press Releases) and the CSD. The notice shall also include information about the effective date of the amendments. If the Bonds are admitted to trading on a stock exchange, the Issuer shall also give notice of the amendments to the relevant stock exchange.

22.6 **Variation upon replacement of Base Rate**

- (a) No later than giving the Agent notice pursuant to Clause 22.5, the Issuer shall deliver to the Agent a certificate signed by the Independent Adviser and the CEO, CFO or any other duly authorised signatory of the Issuer (subject to Clause 22.3(c)) confirming the relevant Successor Base Rate, the Adjustment Spread and any Base Rate Amendments, in each case as determined and decided in accordance with the provisions of this Clause 22. The Successor Base Rate the Adjustment Spread and any Base Rate Amendments (as applicable) specified in such certificate will, in the absence of manifest error or bad faith in any decision, be binding on the Issuer, the Agent, the Issuing Agent and the Bondholders.
- (b) Subject to receipt by the Agent of the certificate referred to in paragraph (a) above, the Issuer and the Agent shall, at the request and expense of the Issuer, without the requirement for any consent or approval of the Bondholders, without undue delay effect such amendments to the Finance Documents as may be required by the Issuer in order to give effect to this Clause 22.
- (c) The Agent and the Issuing Agent shall always be entitled to consult with external experts prior to amendments are affected pursuant to this Clause 22. Neither the Agent nor the Issuing Agent shall be obliged to concur if in the reasonable opinion of the Agent or the Issuing Agent (as applicable), doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Agent or the Issuing Agent in the Finance Documents.

22.7 Limitation of liability for the Independent Adviser

Any Independent Adviser appointed pursuant to Clause 22.3 shall not be liable whatsoever for damage or loss caused by any determination, action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct.
